Tom Kriz, Johnson County Treasurer  
Tom Slockett, Johnson County Auditor  
Kim Painter, Johnson County Recorder

Greetings to my Johnson County Elected Officials:

I write in support of Janelle Rettig to be appointed to fill the vacancy on the Board of Supervisors created by the untimely death of Larry Meyers. Though I have known Janelle for years I only became aware of her love for Johnson County through her hard work on the Our Water Our Land Our Future Committee. Since she announced her candidacy for Supervisor I have learned much more about Janelle and consider her to be exceedingly qualified to be on a policy making board such as the Supervisors and I hope you will provide this talented woman the opportunity to serve the citizens of our county.

Thank you for your time and attention to my letter as well as your own dedicated work.

Sincerely,

Carol deProsse
